

**Confirm paper size.** Be sure when printing that your printer is set at 100%. Use the bar below as a scale to print the chart at the correct size.

0 1 in.

**Measure current ring.** Place one of your current rings on the appropriate circle. The black circle should fit inside of the ring without any white showing. If the ring falls between two sizes, choose the larger size.

**If you do not have a ring.** Cut a strip of paper long enough to wrap around your finger. Place a mark where the paper meets. Measure the length from the edge of the paper to the mark. Use the chart below to determine your ring size. If you are in between two sizes, choose the larger size.
